

**Stephen L. CHAN, MBBS (HKU), MD (CUHK), MRCP (UK), FHKCP, FHKAM
(Medicine), FRCP (Edin., Lond.)**

Dr. Stephen Chan is currently the clinical Associate Professor at the Department of Clinical Oncology, The Chinese University of Hong Kong. He is a medical oncologist with research interest focusing on clinical development of novel treatment for liver and pancreatobiliary cancers. His research has earned him the Young investigator award and Gold medal on dissertation awarded by the Hong Kong College of Physicians.

Dr. Chan is active internationally. Apart from being the key investigator of multiple international clinical trials on HCC, he is currently the international member of the NCI Hepatobiliary Task Force of the Gastrointestinal Steering Committee in United States. He serves in the editorial board of multiple journals including the liver international and The International Journal of Biological Markers. Dr. Chan published more than 100 papers in peer-review journals with some in high-impact journals including the Journal of Clinical Oncology and the Lancet.

Professional Qualification:

Bachelor of Medicine and Bachelor of Surgery (The University of Hong Kong) (2000)

Membership of the Royal College of Physicians (United Kingdom) (2003)

Fellowship of Hong Kong College of Physicians (2007)

Fellowship of Hong Kong Academy of Medicine (Medicine) (2007)

Fellowship of Royal College of Physician (Edinburgh) (2014)

Fellowship of Royal College of Physician (London) (2016)

Doctor of Medicine (The Chinese University of Hong Kong) (2018)

Employment History:

Resident, Department of Clinical Oncology, Prince of Wales Hospital (Jul 2001 - Jun 2007)

Resident Specialist, Department of Clinical Oncology, Prince of Wales Hospital (Jul 2007 - Mar 2008)

Assistant (Clinical) Professor, Department of Clinical Oncology, The Chinese University of Hong Kong (Mar 2008 - Feb 2014)

Associate (Clinical) Professor, Department of Clinical Oncology, The Chinese University of Hong Kong (Mar 2014 - Present)
